Hello,

Thank you for your bursary application for the upcoming Target Validation event.

I am writing to inform you that you qualify for a free Lower Middle Income Country registration. I have therefore cancelled your original busary application because it was for the incorrect category and re-registered you.

Our event organiser will be in contact with further information nearer the event date.

Please do not hesitate to contact us should you require further assistance.

Kind regards,

Sarah Heatherson

she/her
